How to choose a good financial advisor?

Thank you for your advice!

Pimping - October 23, 2024, 5:08 pm

Not right section for this but maybe ask your bank or look for best rated financial advisors online go to a few if you have to maybe

DashPHP - October 23, 2024, 5:10 pm

Hard to say, but judge by their qualifications/portfolio is my best bet.

Go to a more "public" institute like a bank, those private ones will try to rob you lmao.
