I'm doing a bunch of housework today, I'll be chilling out this evening and tomorrow I have to go shopping, then going for dinner with the wife in the evening.

SuseGD - October 28, 2024, 6:36 pm

I've got absolutely nothing planned at all for today. Last week was pretty busy and hectic for me, but this week so far is looking pretty chill and laid-back.

SoHighSociety - October 28, 2024, 6:37 pm

Just got back on HF, after years...

Happy to be back!

I've got a mix of tasks lined up today! I'll be focusing on some design work and maybe squeezing in

a bit of time for some personal projects. It sounds like a laid-back Thursday for you!

sharn - *October 29, 2024, 5:43 am*

Just a regular workday with some meeting.

I am planning to hit the gym afterward.
