Thread: [Black Ops 6 - what's your thoughts so far?](#)

Snowwy - October 24, 2024, 10:07 am

Been watching some streams on the game. It looks very fast-paced. It seems to look like it runs pretty smooth. Will you be buying it? I'm still undecided.

I have gamepass so it's free for me I think.

It's going to be so sweaty. That Omni movement is going to be a problem going against try hards. I'm looking forward to zombies tomorrow.

A lot of people are excited for zombies this year actually. I don't mind sometimes playing zombies, but usually I enjoy playing multiplayer more.

Hope the SBMM isn't atrocious.

Moment it hits midnight, Prestige Master Race starts for me

Bruce Banner - October 24, 2024, 3:35 pm

5 hours in today and it's alright I'm just not a fan of most of the maps. Zombies was fun got to round 30 and decided to call it a quits. Leveling up takes forever I really need some double XP.

Joel.. - October 24, 2024, 4:06 pm

Actually excited for the zombie mood

Marvelous - October 25, 2024, 5:19 pm

The MP maps are extremely small, which makes the spawns extremely bad. The game is set up so that you cant play the same people again which sucks. I believe that it is so that SBMM can punish you right after having a good game. Their goal is for everyone to have a 1.0 K/D.

If anyone wants to play feel free to DM me your discord. I like SnD mostly but I have been playing other things that are not as reliant on dead silence.

Snowwy - October 28, 2024, 9:40 am

Update: I decided to buy it and I am enjoying it so far.

sharn - October 28, 2024, 12:57 pm

I think they did a great job. Both the zombies mode and multiplayer are fantastic.

MFUK - October 28, 2024, 1:16 pm

Love it

Zombies is great

MP is what you expect from small map loads of ninja with one hit shotgun builds already
im more of Battlefield big arse map style

I am really enjoying multiplayer. Been fun.

The game looks amazing so far ngl.

I absolutely love that in Zombies you can unlock the old CoD's title & emblems. That's such a badass nostalgic throwback to include. They even included the bus driver TEDD from TranZit.

CoD BO2 Zombies were some of my favorite tbh. That and BO1.

Fkn - October 30, 2024, 6:38 am

Game looks good, great graphics but campaign was too short haha

JW1337 - October 30, 2024, 6:47 am

Another boring cod plagued by SBMM no thanks

How many hours you put into it? ??

Game - October 30, 2024, 10:19 am

I'm enjoying it so far. I've encountered a fair few cheaters though.

Zombies was fun, I played for a few hours and managed to exfil at round 40.

Effexion - October 30, 2024, 10:26 am

I got slated for this on Facebook but here goes:

I fell away from CoD for years and recently fell back into the franchise with MW3. I had fun unlocking all the camos for the plethora of weapons; I also enjoyed the sheer choice available in the arsenal.

I loaded BO6 up looking forward to starting afresh and was let down by the scarcity of weapons. I mean, TWO shotguns?

I also fail to see any real depth in the maps available now. Each reminds me of the last and is awash with hues of beige and brown.

Played Zombies for about 4-5 hours, loved it, the pace was a bit faster than what I'm used to

On original BO1 or you mean BO6?

I haven't even got to try it yet man, I legit can't wait.

What's your current award goal percentage?

It is fun, I exfilled at level 40 the other day.

I'm currently at 85% - 30 threads posted. Less than 100 posts to go I think.

Hell yeah man, that's what we like to see!

I'm assuming you got the threads out of the way first? Or?

Yeah I didn't even realise. I just kept doing a few threads every so often when an idea came. I checked and I've done more than 30 of those so should be good there. I'm currently at about 95% now with about 30 posts to go and I'm tired as hell.

Prawnster - October 31, 2024, 7:41 pm

I tried it, liked it for a few games and then got up against people who have been training for this very moment for the last 20 years of their life.

Feels like every lobby is filled with the sweatiest fucks I've ever played against. Imfao shits crazy hahaha

Chrome - November 2, 2024, 3:47 am

I have had it for 4 hours and only have played the zombies game mode, its fun...very fun.

I heard it was good. I have just been on multiplayer.

Zher0 - November 2, 2024, 10:42 pm

I'm enjoying it. I also am transitioning back to controller from KB/Mouse and it's very nostalgic because of that.
