I hate this game but I love it too.

Who is your favourite killer? And which killer is your nemesis as survivor?

LeetSpeed - October 26, 2024, 5:04 pm

No but I've been looking to get this game.

Pimping - October 26, 2024, 5:16 pm

It takes some getting used to but it can be quite the fun once you get the hang of it and start running rings around killers as survivor or absolutely murdering the survivors as a killer lol.

A lot has changed and there's a cool event going on at the moment. You should definitely check it out.

I'm a big fan of Dying Light and other zombies games, so I'd probably enjoy this one too.

Haven't tried it yet though.

banonkiel - October 27, 2024, 5:26 am

Haven't played it in years, used to play it with friends and used to occasionally stream while playing Killer while in the Discord call with friends.

Used to love playing Killers back then.

I don't think either of us still play it but personally, I still watch multiple content-creators that make videos around it and still enjoy watching gameplay videos.
