(Nov 9, 2024 07:43 AM)Scrub Wrote: [\[CITE\]](#) does this bridge between tele/discord or only from tele to tele

Its grab msg from any telegram group or channels. and you can grab from many channels and group

WebArt - November 9, 2024, 7:17 am

(Nov 9, 2024 08:07 AM)Scrub Wrote: [\[CITE\]](#) yes but does grabbing them allow them to be bridged and mirrored to another platform.

right now it can even grab from websites also. but for discord i did not try

but if we can see discord msg without login from web then can grab it also
