I will take the review copy, if you deemed me trustworthy enough. Always open to new methods of earning revenue.

Nit0 - October 27, 2024, 7:45 pm

Is this related to the stock market?

Pimping - October 27, 2024, 7:58 pm

If you want to give another review copy i could test the method

would also give detailed review and report with earnings if i make anything

Thank you!

hit - October 28, 2024, 12:41 am

In for a review copy of available.

?ord Frieza - October 28, 2024, 2:05 am

Show some proof of earnings.

Dragosthethird - October 28, 2024, 2:58 pm

Added Proof Pictures to OP.

Vouch Copy Claimed

Mooooookie - October 29, 2024, 1:40 am

Un-Biased, Honest Review:

The OP was kind enough to allow me to review his eBook. While it was an interesting read, I don't think it's something that I myself will be getting into.. not because I don't think it can earn you money, because I do believe that if you follow the instructions in the eBook, and are dedicated to making this work, that you will earn money. \$3k a month? I don't know about that.

With that being said, it was around 7 pages that were both well written and detailed. He provides some information on how he got started with the method, as well as step by step instructions on how to get things setup. The instructions are pretty clear, and straight forward, there's no reason the average joe couldn't set it up. He includes some resources at the end of the eBook to help you get things setup.

Overall, do I think it can make you money? Yes. Do I think it will make you \$3k a month? No.. I don't think the average person is going to purchase this eBook and earn \$3k their first month. Maybe not even their second month. I think it's something you would have to get more familiar with over time, and as you improve with your strategy, then your earnings will increase. I do believe \$250 is too much for the method, and that the price should be reduced.

Thank you for the honest review. Lowering price based on your suggestion.

Nit0 - *October 30, 2024, 9:05 pm*

Any earnings proof that you can share?

lightning strikes - *December 13, 2024, 6:25 am*

How much does it cost currently?

MOE - *March 9, 2025, 10:17 am*

(Dec 13, 2024 07:25 AM)lightning strikes Wrote: [CITE](#) How much does it cost currently?

If I am reading this right it says \$5 for the next 2 copies.
