If you could commit any crime and get away with it, what would it be and why?

I would do some kind of fraudulent money making scheme and get rich quick. Self explanatory I think.

Id probably steal and fence a Bugatti. Easy flip that will yield enough to start something legit and permanately profitable.

Pigley - November 1, 2024, 7:34 am

Loaded subject. Now we only wait for someone to write "murder" or "rape" or worse.

I think it would be cool to eat for free everywhere. Escaping via rollerblades. :)

Yes, there's that saying that goes, "If you steal, steal a camel, and if you fall in love, fall for the beautiful one." Or at least, I think that's the translation! Haha

I think I get the sentiment though.

So if you got away with kidnapping a child you would be fine with that? Haha. So getting caught is what keeps you from keeping children hostage

The child part I'll withdraw. But can't you handle a question? The consequences if caught kidnapping people is the thing keeping you from doing it and choosing it specifically it sounds to me you kind of want to kidnap people, no? You can choose plenty of crimes without violent crimes or avoiding loved ones being scared for their family member.

If it is only about the money then you could come up with something besides kidnapping or another crime that will make someone (in this case some president) worried sick for his child. The person being kidnapped probably won't like the experience either.

Steal the cure of cancer (if it exists, pretty sure gov sitting on that shit)

Trust - November 1, 2024, 4:39 pm

Ofc not , excuse me but this is a stupid question , no offense against u

Cooligan - November 2, 2024, 12:53 am

Easy answer - 1950's bank robber lmao.

Would plan it out, get my John Dillinger inspired gang, and hit the cities across the world.

*I'd also use a very large portion of the money for good. Robinhood type situation. ???

Mooooookie - November 2, 2024, 1:05 am

I would have to say some type of financial crime, whether it be robbing a bank vault in a large city.. or some electronic money fraud that amounts to a few million dollars.

rs94 - November 2, 2024, 3:48 pm

Rob s bank or crypto account! Roof over my kids head and travelling whenever needed to take our minds of things

Aaah haha sounds like you're just a yapper now.

Jusy curious since there are 10000s ways to make money through crime, but kidnap is the second thing coming to your mind.

Fkn - November 3, 2024, 4:10 am

if I were given the opportunity to commit any crime without repercussions, I might be inclined to engage in a sophisticated financial maneuver.

Derangedeuros - November 5, 2024, 10:08 pm

I would bomb some roads to oblivion.
