Thread: [Send USA 18+ Traffic to my Kik and Take profit.](#)

JNath - November 1, 2024, 7:28 am

You can use Reddit or Twitter to send traffic over my kik and i will sell content to the people who come, i have done this for past 7 years and \$100+/day for each of us is guaranteed. Let me know whoever is interested.

Let me know. Shoot me a pm if you haven't already made a deal. I have an aged Reddit account that is still active.
