Thread: [100,000 Bytes Contest - DemonAsylum was the winner of the contest.](#)

Mooooookie - November 1, 2024, 11:33 am

Rule are simple:

Upgraded Members:

- QL the post
- Max Popularity
- Tag an upgraded user who hasn't participated in the contest, who hasn't been tagged already by another user, that was active in the month of October.

Non-Upgraded Members:

- Tag any user who hasn't participated in the contest, who hasn't been tagged already by another user, that was active within the past month.

- There is no limit on how many entries you can put in, but you can only enter once every hour.
- Drawing will end on or around November 15, 2024.
- If you haven't already, please take your time and read thru the rules of the contest.
- Every entry in the contest will be checked, and validated.. any entries found to NOT meet the requirements of the contest, will be marked invalid.
- If your entry is picked, and your entry is found to be invalid, your winnings will be forfeited and a new winner will be chosen.

The winner will be drawn by an impartial 3rd party here on HF. Typically a Staff member or by a random user who hasn't already participated in the contest, in which it will be conducted thru the PM system and a contract for Staff transparency.

Disclaimer:

Spoiler ([Click to View](#)) This is an EOE Contest. Anyone can win. I don't care who wins. Contest isn't rigged, please don't suggest it. If you don't like the rules of the contest, simply don't play.

Do we need to tag someone new for every post or just once ? After few days it will be complicated to tag upgraded people who haven't been tagged before Yes, with each new entry a new member needs to be tagged. This keeps the engagement on the contest up, and to be fair I'm validating each entry manually so have to go thru each post one by one myself.

(Nov 1, 2024 12:42 PM)BPName Wrote: [\[CITE\]](#) Tagging @SIM-23882 for my entry< Thanks.

how to Tagging ? o.O To tag users on the site, you need to use @Username@ - and sometimes you may need to edit the post, and save it again for the tag to be enabled - I'll give you an opportunity to edit your entry and correct the tagging. Once you've updated, LMK in your next entry so I can mark the first one valid.

DashPHP - November 2, 2024, 6:06 pm
