Hello everyone

So what os a tradition u do or was taught and have to follow although u know its silly ?

For me , when i go to graveyard , they taught me when i was young we should keep shoes out till washed , never to walk in house with it as it bring bad things , also when a women labour a baby , never go to her with your beared shaven or it affect her health ??

What silly things they say too ??

I'm a hockey fan and whenever my team plays i always have 2 soft pretzels, 2 beers, (bud light), 1 reeses cup. It was something my father and i did growing up. except i was drinking soda as a kid lol. But people think its weird but its my tradition.

Is it a tradition or superstition? I guess the line is sometimes blurred between them.

I drink water sitting down.
