Thread: [Prestige Master + Dark Matter Unlocked in Black Ops 6](#)

So I finally reached Prestige Master in Black Ops 6. Got Dark Matter around 6th Prestige (Also ended up getting Shadowbanned for a while so I couldn't finish the Solo Prestige Race).

Enjoy :)

A lot time yeah. Bragging rights? It's related to gaming to be fair so I don't think so.
Currently almost done with the Zombies Mastery camo then I'm going for the Warzone camo, Multiplayer 100%er and Zombies 100%er.

Full legit, no bot lobbies, no VPN, no 2boxing.
All of it streamed.

Ayeee good shit, I'm up to like 20 out of 33 guns in gold/diamond and haven't bothered to prestige yet but think I'll go for master prestige after I've got dark matter haha.
