I don't sell anything, I share my expertise in the field.

Usually I make 20%/30% monthly, but I am currently on vacation and will return at the beginning of January 2025 so the number of alerts will be greatly reduced.

If you want to join don't hesitate, the telegram is open. ?

Hey everyone,

After some thought, I've decided to close this channel as I no longer have the time to manage it properly. I want to sincerely thank each of you for your support and engagement throughout this journey.

This may not be a goodbye forever who knows what the future holds?

In the meantime, take care, and hopefully, we'll cross paths again in other projects!

Thanks again! ?
