Thread: [Black Ops 6 Dark Matter Account - With Game Pass](#)

Imagine8 - November 16, 2024, 11:48 am

Had some issues with my main account so made a fresh one for a couple days. Main account is now sorted so no need for this.

Currently got 3 weeks of game pass left on it. Fresh email etc.

Level 48

-Dark matter soft unlock on every weapon (blueprint so you can use it and will not lose it when you prestige etc).

-Both early zombie EE calling cards

-Fatale dark ops calling card

-Few gobble gums nothing fancy

-No bans/flags

Had the same service on my main account on all COD's now. No issues yet.

But yeah I've had no interest here anyway so probs just keep it as backup.
