6 bucks each? Are they the 10 min ones or the 20-30?

Most time for a lobby is 18 mins, Hardcore DOM. Dont know about game modes longer than that
tbh

[Hector1337](#) is the real deal. Got me in a lobby in less than five minutes and was able to unlock gold camo in less than ten minutes. I did not expect to get around 300 kills in one match with ease. The other person in the lobby killing the bots on my side got 500 kills! This is an easy way to get camo unlocks done, and the grind is fun. I am excited to get into some more lobbies this weekend when I'm off work and have more time to focus on unlocking my camos entirely. I can already see the Dark Matter unlock around the corner.. Would highly recommend getting in contact with Hector to get you setup to do some bot lobbies. He is legit, informative, and keeps it quick and professional.

Thanks a lot for the first of many lobbies on BO6.

Vouch for [Hector1337](#).

Ended up getting 358 kills in the lobby, no issues at all. Answered any & all questions I had.
No connectivity issues, very High-Quality service.
Will be using this mans service again in the future.
