? ?Gohan Currency Exchange! ?

Fully automated trades.

IMPORTANT: Currently I am only trading crypto for crypto. (i.e BTC for ETH) Crypto to local currency such as USD, GBP etc will be added at a later date.

Looking for fast, reliable, and hassle-free crypto exchanges?

? No Account Needed – Start exchanging instantly!

? Competitive Fees & Rates – Save more with every transaction.

? Fully Automated System – Enjoy smooth, lightning-fast trades.

over over 319,000 crypto exchange pairs! to choose from.

Trade smarter, trade better with ?Gohan Currency Exchange! a name you can trust. (No deal disputes ever, long time member.)

VOUCHES! I used to run a crypto exchange on HF a while ago but I closed it due to getting Paypal limited and ultimately coming away from the forum. You can see my old vouches [here](#)

Please see this post as a continuation of that post, Trades to be done via the website at all possible due to it being fully automated.

Website theme has had a massive overhaul- looking much better now.

I think right now, while I'm getting stuff sorted on the back end I can only exchange crypto for crypto. So going to close this until it's all up and working.

Opened this back up, for now it is crypto to crypto exchanges. I will update this when I am accepting none crypto currencies.
