Thread: [Need Anime Recommendations \(Slice Of Life\)](#)

Yung Octobers - November 26, 2024, 2:13 pm

Hey im just looking for some casual anime recommendations.

Beherit - November 26, 2024, 2:18 pm

Mushishi is one of the best slice of lifes you can watch. Some others you can watch are:

Barakamon

Aria

Tamayura

Kotaro Lives Alone

This winter I'll be starting Yuru Camp.

Tyr - November 26, 2024, 4:48 pm

Bleach. Also the Thousand Year Blood War.

banonkiel - December 7, 2024, 5:28 am

Top of my head, which is also a recent anime.

Skip & Loafer

Extremely chill imo, enjoyed it very much.

Artisan - December 7, 2024, 6:12 am

Barakmon

My hero academia

Your lie in april

The list is long , are u looking for something special?
