Hey Hackforums, I decided to make this LQ post to share that this is my 100th post on the forum! This also means I'm now eligible for the Ub3r upgrade, which I'm planning to purchase soon.

Have a great day!

Congratulations on reaching 100 posts. I would advice you to create your QL 4 QL post in the " Free Services and Giveaway " section or somewhere similar.

People seem to be successful hosting a giveaway while doing QL 4 QL :D

Goodluck!

PS. I sent you a QL. ;)
