Thread: [\[Hack Friday Offer #1\] Custom Awards](#)

Omniscient - November 28, 2024, 2:03 pm

First Offer for Hack Friday....

Custom Award

5 grants = \$500

12 grants = \$1000

20 grants = \$1500

This is a limited time offer, ends Dec 1st. Contact me via PM or Convo if you're interested.

1. You are responsible for the award design 24x24 but I suggest you also make a 32x32 version as I am considering a resize soon.
2. You may sell the award grants.

BONUS: This is the first time I'm going to offer extra width awards. Award height must be 24px but the width can be up to 50px (wings). I am gonna offer wider awards at a per pixel price. Add \$25 for every extra pixel width. So a full 50px would be an extra \$650 plus the Grants price.

Any questions? Oh and yes, I used the same graphic as the sale last year. It's strangely appealing.

Rionxee - November 28, 2024, 2:22 pm

Great opportunity for folks to hop in this, hope to see some good awards come from this! Thanks Omni.

DemonAsylum - November 28, 2024, 6:45 pm

Glad to see this back. Last year myself and a few others pooled money together to take advantage of the deal and so we could all get the decided upon award from it. If anyone is interested in doing something similar then let me know.

I originally wanted to do a Monkey Bomb, but it didn't look good resized. I didn't really know what to do for a custom award other than a Texas flag, but I have been playing COD Zombies my whole life, and lately have had a lot of fun with members of the forum playing.

So, I actually purchased 20 then another 20.
So the plan is sell 10 for 150\$ and give 10 away as prizes to encourage activity.

So they pay for themselves, without profit.
I also purchase 7 Ub3r upgrades and 2 scratchcards and a bit more than that too

Interesting, if anything I would do the OSRS coin stack and buy 20 but would anyone buy one?

I am not in it for profit and want to become a group owner so I would probably do something similar to @7@ sell 10 to make up for cost then give 5 away throughout 2025 and save the other 5 for giveaways in group.

I have never done this before does the redemption date expire(meaning do I have to give them out by 12/31/25 for ex) or?

Thank you apologies if these are dumb questions.

Your awards literally stretch the whole thread page for absolutely nothing, can't you turn some off?

@Admin any chance of a button to collapse awards on member profiles? I don't mind seeing them but it is frustrating when there's so many that you have to scroll through dead space to get to the next post in a thread...

You can use HF Xtension browser add on [found on Chrome webstore] created by an old member of the forum named xadamxk, and there is the option to hide awards if they surpass a certain amount of rows.

Typically no. I manually do the grants and it's not something you can just request removed or transferred.
