Thread: [What to do after finding alot of vulnerabilities on WP Sites?](#)

AbuAbiat - December 11, 2024, 5:55 pm

Hello,

for fun and test purposes iam scanning some sites i have permission to. I wonder how to learn to exploit vulnerabilities after finding them. thanks in advance

RootRXXT - December 11, 2024, 6:03 pm

since we can't actually confirm you have permissions can't really provide too much info or steps, but look at some OSINT tools maybe

DramaKing - December 12, 2024, 2:00 pm

More to the point, we can't offer much except "know how to exploit vulnerabilities" or point you to some courses on web hacking. This is supposed to be a site for exchanging ideas and information. Few members even claim to have permission when asking how to hack.

DarkRoot - December 15, 2024, 2:39 am

exploit these vulnerabilities to take the data, access and sell the
