Thread: [COMPLETE Five-Page website template for Local SEO for service businesses](#)

bronzegods - December 13, 2024, 10:29 pm

I made a COMPLETE Five-Page website template for Local SEO for service businesses ??

It focuses on what you need to tweak and work on in order to make the website appear on SERP for local area searches.

Comment down below if you are interested and I will send you a direct link to the template.

Zher0 - December 13, 2024, 10:45 pm

The image is broken, here:

Edit: yeah image is on aws and doesn't allow linking.

Looks decent, could i get the download?
