Are you offering any vouch copies?

7 - December 14, 2024, 10:19 pm

Looking forward to seeing some reviews on this method.

The Director - December 14, 2024, 11:13 pm

Interested in seeing some payment proof, could you post this?

Miles Teller - December 14, 2024, 11:18 pm

Interesting. Can you please share proof of method working and vouches if any? Thanks!

MikeDin£ro - December 15, 2024, 3:21 pm

I dont have any recent payment proofs and tbh they can easily be faked..But i've given a vouch copy to someone who should be posting feedback soon after checking the method :)

Are you giving out anymore vouch copies for this method? I didn't see how many you were planning to give out in the OP.

If you are, I'll gladly take one and leave a detailed review.

Chez_Yuki - December 15, 2024, 11:54 pm

Really interested, but I wait for some reviews (I can make you one if you want ?). Plz share also some of your earning, even if it's easy to fake them, it's better.

Anyways, good luck with your sales !!

I've just received a copy vouch and after reading everything it looks promising. I'll post a review here after I've tested it.

sancoxo83 - December 16, 2024, 1:19 pm

I'm really really interested in this method, is any voucher available to make a nice review ? thanks.

OP seems to be giving them out to random, non reputable members.

Have you tested the method? I see you received the vouch copy around 5 days ago.

Seems multiple people are waiting for detailed reviews.

Did you get it yet?

Miles Teller - December 21, 2024, 5:47 am

Still waiting for a review. Am interested as I've tried CPA before but could never figure out all the fine details

Terry Prince™ - December 21, 2024, 6:12 am

I'll take a review/vouch copy to leave a detailed review for potential customers.

Do let me know.

Yes, I've received a vouch copy, but so far it hasn't worked. On paper I think it might work but in practice, at least for the moment, I haven't had a single conversion... Maybe it's the niches I've chosen, so I'll keep testing.

Sholi - December 27, 2024, 6:10 am

I was always fascinated by CPA and never really knew how to crack the code like the heavy hitters in the space. OP provides a pretty much done for you deal here with lots of resources to help you get started.

My concern was traffic but OP seems to have found something that yields results but requires a little bit of investment. There are two methods, whitehat and blackhat. The other one does better because it promises much more but for those of you (like me) who'd rather go the whitehat route, that is still a good viable option.

Vouch.

vatrenilav - December 27, 2024, 6:53 am

waiting for reviews, then will consider

Anybody had a chance to review yet?

siddy357 - January 17, 2025, 4:12 am

seems like everyone is waiting for the vouches to turnup with their review.

Hatchman1212 - August 26, 2025, 6:48 am

Excuse my lack of insight/language but does 'vouches' implies?

Kindly,
