No limit on entries. Each new entry must be 15 minutes apart.

No bots, or automation can be used for entries for the contest. Multiple users were suspended from the site for 2 weeks, as it was said they were automating their entries. I understand people want to win, but cheating isn't going to get you anywhere.. Omni has been running this site since 2007, he will know if your actions are automated.

If your entry is drawn, and you were found to have not QL'd the OP and/or given Max Pop, your entry will automatically be discarded and a new winner will be drawn.

No limit on entries. Each new entry must be 15 minutes apart.

No bots, or automation can be used for entries for the contest. Multiple users were suspended from the site for 2 weeks, as it was said they were automating their entries. I understand people want to win, but cheating isn't going to get you anywhere.. Omni has been running this site since 2007, he will know if your actions are automated.

If your entry is drawn, and you were found to have not QL'd the OP and/or given Max Pop, your entry will automatically be discarded and a new winner will be drawn.

Winner will be drawn on or around: December 25, 2024

Christmas is on the 25th of December, so why not add some 0's to the end of 25.. and make it 250,000 Bytes for the holiday season. That's valued at around \$600 at the current forum prices.

Rules:

Quick Love the OP

No limit on entries. Each new entry must be 15 minutes apart.

No bots, or automation can be used for entries for the contest. Multiple users were suspended from the site for 2 weeks, as it was said they were automating their entries. I understand people want to win, but cheating isn't going to get you anywhere.. Omni has been running this site since 2007, he will know if your actions are automated.

If your entry is drawn, and you were found to have not QL'd the OP and/or given Max Pop, your entry will automatically be discarded and a new winner will be drawn.

Winner will be drawn on or around: December 25, 2024
