Perfect GIF Additions – Spice Up Your Banner or PFP!

Looking to add some life to your profile? I'm offering a simple, clean service to help you add GIF animations to your banner or profile picture.

For just 500 bytes, I'll make your HF profile stand out with a smooth, eye-catching GIF addition.

How It Works:

1. Send a contract and 500 bytes my way.
2. Include the GIF(link) you want added to your banner or PFP.
3. I'll size it perfectly for your space and make sure it fits cleanly.

If the GIF you provide can't be resized properly, we'll discuss other options—no hassle. I'll make sure it looks sharp and polished for your profile.

Why Choose Perfect?

- Fast turnaround time.
- Clean and precise resizing to ensure no distortion.
- Full communication until you're satisfied with the result.
