Thread: [\[HOT\] \[RARE\] Get a .gov email | Government Email | GOV Media Portals](#)

Rebounced - December 17, 2024, 11:54 am

Currently selling rare government emails (.gov) under a custom or preset name. People can use these to get Twitter Grey Government check mark & gov portal access to FB, Tiktok gov portals and more.

These emails are obtained 100% legally and can send/receive emails. If access is lost let me know, I might be able to replace free of charge.

As example with Meta (FB/IG) gov portal access, you can: Remove content or ban accounts within legal guidelines

Recover hacked accounts

Access IP addresses, messages, emails, locations, and more

Contact for a list of available country .gov email domains.

What will the email look like?

Direct domain - xxx@xxx.gov.eg

Subdomain - xxx@xxx.xxx.gov.br

Price: \$3,500 per email

Example of Facebook/Instagram Portal Access

Spoiler [\(Click to View\)](#)

1. How long does these emails last?

We like to say forever as long as you do nothing crazy like send bomb threats or something crazy.

2. What happens if I get kicked off or lose access?

Just contact me & I'll set you up with a new email.

3. How often do you get stock in new countries?

We only have a list of 3-4 counties available at a time but attempting new countries.

4. Can you EDR with the custom emails?

They go through Facebook legal page so most of the time, yes, but it is not recommended.

5. What can I get from EDR request?

From gov portals You can get target account's linked emails, phone numbers, locations, ip addresses, messages and more if EDR supported.

6. Do these work with Discord?

No.

7. Does these work with Twitter?

50-75% of the time they do but also have cases where it worked and didn't work.

8. What can I do with this?

If that is something you ask, don't waste your money. Ask a friend to help you understand, this product is sold to you under the impression you know what you're doing.
