Thread: [What Is Your Most Memorable Christmas Gift?](#)

DemonAsylum - December 17, 2024, 12:30 pm

What is the one (or multiple) Christmas gift that stands out to you in memory? Feel free to share why as well if you want to, think there is a need to, etc.

I've gotten a handful of really sentimental gifts throughout the years like I'm sure many of us have and that mean a lot due to who they came from, what in my personal life they were related to, etc. I don't really care to go into details on them, but thought it was worth generally mentioning them still.

Focusing more on traditional gifts, some of them that stick out for me are those from when I was younger. Getting a bike, a laptop, a gaming console, bigger things like that (obviously not all for the same Christmas lol) and which I wanted as well as no doubt begged for a LOT at the time haha.

A pair of socks that looked like chicken legs. Can't beat them.

What are your thoughts [mention=420]?

Mine would be the first gift my son gave to me.

You never got anything that stuck out as like a big or memorable present? Something you really wanted more than anything else maybe or that was again just a big present for you at the time?

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Cash is great no doubt! You don't have a gift that stands out at all though? Something you really wanted one year? Something sentimental? Something that simply cost a lot haha?

I'd say a nice one is a vacation or some camera accessories. Idk id rather get the cash or buy the specific thing I want, rather than someone else buying me a random thing instead

As a kid, a big Lego set I got one Christmas was the highlight of my holiday.

It took me days to build it.
