Thread: [When You Think Of "Christmas Music", What Song Comes To Mind First?](#)

DemonAsylum - December 17, 2024, 1:20 pm

Whether it's a song that is meaningful to you from when you were younger or a song that the music industry / media goes crazy with each year, what comes to mind for you?

One that I remember and always loved when I was younger was "Rockin Around the Christmas Tree" by Brenda Lee.

One that we all hear every year and is no doubt a staple so naturally comes to many minds is Mariah Carey's "All I Want for Christmas Is You".

First one to come to mind is Silent Night

Bing Crosby immediately.

Also, just realized his first name Bing, other than MS's search engine never heard anyone with the name other than Bing Crosby.

Definitely a classic and that I think most of us are familiar with if nothing else.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

For some reason, my all time favourite Christmas song is

Legit my favourite song for Christmas.

Last Christmas by George Michael. Also, the Taylor Swift version is ok I guess. If anyone knows a better cover, let me know.
