Thread: [Recommend Myself And Others Some Good Christmas Movies!](#)

DemonAsylum - December 17, 2024, 1:46 pm

When it comes to the holidays every year, I feel that many of us have the usual Christmas movies we go back and watch as we did the year prior. While I love doing that and will continue to, I'd like to know what some of those are for you and or generally just some Christmas movies, classic or on the newer side, that you'd recommend to everyone. While I'm sure some I already know of and even watch every year may get mentioned, I'm hopeful to hear positive things about some others I'm not familiar with and so could then check out. Thanks!

Gotta go with Die Hard, IT IS a Christmas movie. Otherwise a few good ones but also common ones would be Christmas Vacation, Christmas with the Kranks, Santa Claus, Polar Express, etc.

Yooo Harry Potter movies do genuinely hit different this time of year. We can't be the only ones thinking so.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.
