Thread: [What Game Are You Looking Forward To Most In 2025?](#)

**DemonAsylum** - December 17, 2024, 2:10 pm

So out of all of the games that are currently confirmed to be releasing in 2025, which are you most looking forward to?

I have actually a handful of games I'm really excited for and all the more so after seeing some of the reveals at The Game Awards a few nights ago, but if I HAD to choose 1 and only 1 that I'm most looking forward to, it would probably be Borderlands 4.

What about you?

I'm looking forward to [DashPHP](#) being banned again.

GTA 6 is supposed to come out next year right? If so I'm looking forward to that

The last I knew, yes. Whether that actually happens rather than it getting delayed (again?), we shall see. That's definitely the most anticipated game for a fuck ton of people.

Oh my bad I misread the title, I'm tired lol.

My answer still stands tho

I hope GTA 6 will be released in 2025. Not sure if it will happen, but I'm looking forward to that game.

LMAO. I respect standing on business. Dash would be proud and support that.

As far as I know, it's supposed to be releasing in 2025. On the back end I'd say. However, I think a delay is very much possible. I actually wouldn't even be surprised.

I wouldn't be surprised either haha.

I'd say GTA6, but they always delay the PC release for an entire year so it runs well on PC. Maybe Monster Hunter Wilds? Game looks like it's gonna be good.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley

Of course, I'm looking forward to newly remastered JRPGs, but some fresh new ones are Borderlands 4 and Elden Ring Nightreign.

GTA 6 would be nice though LOL.

Now that I think about it, probably Neverness To Everness.

It's a gacha game, but never played one before so I am honestly looking forward to that one.

The new Elden ring nighthfall

GTA 6 is at the top of my list for 2025.

It has been years in development and I cannot wait to see how Rockstar evolves the series.
