Thread: [Who Sat On Santa's Lap?](#)

DemonAsylum - December 17, 2024, 2:57 pm

While I could have gone a completely different way with this thread as a joke lmao, I'll keep it wholesome. Whether it was at a mall, a party, a family gathering, or something else, did you ever sit on someone's lap that was dressed up as Santa and tell them what all you wanted for Christmas?

I did not, nor will my children.

You see it as sort of a weird, taboo, or whatever type of thing?

LOL. Idk how how much of a thing it is anymore, though still definitely present. There was a long time where it was quite normal and popular though. Of course it was being looked at like a completely wholesome type of thing. Not going where your mind does for instance lmao.

Obviously when it comes to the act, it's not being looked at as the stranger being a creep or the sitting on the lap being in a weird way. It's being looked at as someone pretending to be Santa for the sake of the kids that believe in him, want to ask him for presents, etc. It's inevitable that much of society would look at something like that so differently nowadays though and be so much more bothered by it. Granted I don't doubt it's still a pretty big thing despite that.

Yeah that's a fair thought of course. Would be different if it was someone in your family doing it at a gathering versus a random guy in a mall for instance.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I believe I have but don't remember

Endorphins - December 18, 2024, 7:36 am

I was scared whenever I saw any mascot, including Santa's figure, so I don't have any experience, not that I know of. Lol

sharn - December 18, 2024, 7:50 am

No, but I remember writing letters to Santa instead.

That was my version of it.
