Thread: [If You Designed An HF Christmas Award, What Would It Be?](#)

DemonAsylum - December 17, 2024, 3:02 pm

Lets say you got full reigns to design a Christmas award for HF. What would you do? Obviously without actually showing something you can't put across the exact image you may like to, but at the very least what would the base of the award be? A tree? An ornament? A stocking? A bell? A wreath? Something different and maybe less traditional?

I think I'd have to stick with the traditional route and go with some kind of a Christmas tree.

I think a Christmas tree would be cool.

Shit I didn't even think about that. Agreed. A few of us considered doing it before, but as a Runescape related award since Santa hats are an iconic item in the game.

That would be my go to for sure. Lots of different ways it could look as well.

A grinch award would be cool too.

I considered that too, but I'd be curious to know how well a grinch face could really pop as an award. Like being clear that's what it was and also not looking like shit haha. Would be dope though 100%.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Most likely a santa hat or a Christmas tree.
Raindeer's head would be cool too.
