What do you guys watch during the holidays?

Are you like me who look for all the Christmas anime episodes from every anime and make a challenge to watch all of it by New Years?

Here's a "Christmas movie" but isn't a normal Christmas-themed movie, just takes place during:

Thanks master [Beherit](#)!

Wouldn't have been able to figure it out, without your help!

I love watching Christmas anime episodes during the holidays too! It's always fun to see how different shows incorporate the holiday season into their storylines. Thanks for sharing the movie

recommendation!
