Alright HF gamblers, what's your go-to strategy for hitting it big on slots and snagging that Gambling Dice award on HF?

Hitting it big on slots? Can't help ya there. Hope and pray I suppose lol. Getting the Dicey award? Honestly just do 1 byte spins until you get it. Doesn't get any quicker/easier than that. Though how long it takes is of course still a toss up.

D707 - December 17, 2024, 8:47 pm

I agree with Demon, its all about luck. Playing slot with 1 byte only and spin it till getting the awards could be good strategy with minimum risk.
