Thread: [Looking to purchase HF Signature Spaces - CRYPTO OR BYTES PAYMENT](#)

Mooooookie - December 18, 2024, 4:57 am

As the titles says:

- I'm looking to rent multiple Hack Forum Signature Spaces. I'm looking to purchase them in 2 week intervals or 1x month intervals. The payment will be in Crypto or Bytes. Not everyone will be accepted, as not everyone posts often.

If you're interested, just reply for consideration. If this thread is still open, then I'm still taking new people.

Sounds good. 3 - 5 posts daily is enough for me for starters.. for users who can do more then that daily, I'm OK with paying out on a higher pay rate. Feel free to reach out whenever you're in that range.

As much as I would love to have you aboard, I'm renting signatures based on recent/current post counts. Previous post counts don't hold as much weight as users aren't really digging into the crates to check old posts. Recent/current posts, will get the attention of new and active users.

Post counts for noobs. When you have OG profile the profile views all that matters. Good luck homie.

Freemasons - February 23, 2026, 9:53 pm

My signature is available for sales I know I don't have much post but I want to improve by quality posting on sections let me know how much for a month.

Stanley - February 25, 2026, 12:03 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
