Thread: [RNDR - High-performance distributed GPU rendering](#)

CBHF - December 18, 2024, 9:47 pm

I have been seeing a lot of hype around this token and haven't seen it much here on HF, anybody have insights on this token? Lots of people on X speculating that Render may be one of the top performing tokens in the alt season in regard to AI coins.

General Overview:

<https://know.rendernetwork.com/>

Lmk your thoughts!
