Thread: [What are your New Years Resolutions?](#)

Bashe - December 19, 2024, 5:50 pm

Not sure if anyone really makes any nowadays, but I figured I'd ask.

I'd be interested in hearing what some of your New Year's resolutions are!

It was asked 2 days ago I believe, but I don't believe in making resolutions since you can just do them technically.

But mine would be Twitch Partner since I still don't have it after 9 years.

Those are some great resolutions. Simple, but real and attainable.

Meh I can never do any of those

Fair enough, personally I think it's good to set some attainable goals sometimes.

I don't make new years resolutions. If I wanna change something in my life, I do it immediately.

I don't take resolutions because I won't follow.

Why won't you follow them?

I tried several times but couldn't follow through. However, the resolutions I have in mind are gradually becoming part of my habits.
