Thread: [How do you feel about Hollywood utilizing artificial intelligence](#)

**Bashe** - December 20, 2024, 1:35 am

I haven't heard of any movies in specific using a substantial amount of artificial intelligence quite yet, but it's bound to happen.

What does this make you feel and will it change how you perceive movies and films?

**Beherit** - December 21, 2024, 1:44 am

There are some advertisements I saw that were completely generated by AI. No actors used whatsoever. The robots have taken over!

Here's one:

Hate it. Too easy. No skill.

**MrHolland** - January 12, 2025, 2:55 pm

I prefer to see creativity being created by the human brain.
