Thread: [Guaranteed Earnings with Reddit. No Bullshit \[Mentorship\] ~ Noob Friendly ~](#)

JNath - December 20, 2024, 9:42 am

Hello everyone, today i am posting this thread for offering my mentoship service for Reddit ewhoring. I will guide you from beginning to how to start making money with reddit. I was not doing EW because i was lacking reddit accounts and i was severely depressed due to my mental condition as i was not active on my laptop and phone but now i am back.

I will teach you how to make \$100-200/day with Reddit by telling you everything i do.

What i will be teaching :

- How to get traffic from reddit on your Kik/Snapchat. (Kik Preferred)
- Modded kik where you can fake live pic from camera roll.
- How to give verification pics to customer so he buys from you.
- How to milk customer for thousands of dollars.
- How to Send Live snaps on Android+Iphone.

What do you need ? : You need around \$10 for Reddit account, The subreddits i use and which i will be telling you doesn't require much aged or karma accounts so \$10 is enough.

Price : \$149 for Mentoring.

Even if you're a beginner, i will give you full guidance with Ewhoring.

Stanley - December 23, 2024, 2:23 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Yeah it's manual but can be automated, it's the very reason of this method being simple as it didn't get patched over the last decade.
