We stay home, but family comes to visit us.
It is the only time we all come together.

Do you stay home or travel for Christmas?

Home is the best place to celebrate Christmas. Decorating Christmas Tree is the best time spent.

Stay home as much as possible until I have to go see the rest of the family.

The last few years I have been travelling for Christmas. It's fun but honestly there is no place like home, especially for the Holidays.

While traveling is fun, nothing beats the comfort of home during the holidays. Where have you been on your travels?

Stay at home, no reason to travel when I can be with the family.

I do plan a trip after the new year, but not for christmas, planning it for a long time

I like to spend time at home with my family. That has been the best combination. Home + Family.
Nothing gets better than this.

We spend Christmas morning at our house and then head over to my dad's.
