Thread: [Are You Done With Your Christmas Shopping?](#)

Mooooookie - December 20, 2024, 2:22 pm

Have you finished your Christmas Shopping this season? We have 5 more days left until Christmas.. if your answer is no, I would suggest grabbing those last gifts while supplies still last. You know the closer we get to Christmas, the less stuff that are available.

I have finished all my shopping, I only have one gift left to get and that is for my niece. I will buy her a \$100 apple giftcard.

Deany - December 20, 2024, 3:46 pm

Mine was at anime expo so yes

Yin Yang - December 20, 2024, 4:01 pm

Yes! I completed yesterday and got everything wrapped

Blazin - December 20, 2024, 4:08 pm

Yeah, I did mine like 2-3 days ago, well completed it.

Bashe - December 20, 2024, 5:17 pm

Yep, I was done after Black Friday.

Mooooookie - December 20, 2024, 6:05 pm

Good shit, sounds like most of you got your shopping done already. I'm normally a last minute shopper, but this year I took advantage of Amazon and did a lot of my shopping right off there and had them delivered to my door. I will order my niece her apple giftcard this weekend, and that'll be a wrap for the year.

On Monday, we're going to my granny's house, bringing food to share and gifts to exchange with others. We have finished the gift but not the food, so tomorrow we will prepare it.

I'm getting close. Just have a few items to pick up this weekend and then I'll be done.

Next year I'm just going to start buying gifts in Spring or Summer and get it over with so no stress when it comes to Christmas haha.

Cutting it close don't you think?

Good luck! I know the stores gotta be running out of the good stuff. I'm usually a last minute shopper myself, and it's always hard trying to find some items when I wait too late. This was the first year that I decided to get most of my shopping done early.

Thanks and true that. It's probably going to be a mad house at the stores tomorrow.

How early did you finish your shopping this year?

Liquidicey - December 20, 2024, 9:34 pm

Finished my shopping around 4 days ago, thank god.

DanielZ - December 20, 2024, 10:29 pm

Just bought that last item for Christmas Shopping this year.. which was an apple gift card for my niece. Ordered it right from the apple website.. quick and simple. I'm done shopping for this year.

Disease - December 22, 2024, 1:45 pm

I'd certainly hope so at this point. But in all seriousness, we got ours done pretty early this year, by our standards anyways. Last gifts were purchased in the first week of December, maybe. Mostly all done throughout November.

griseldab - December 22, 2024, 1:47 pm

I'll start tomorrow and finish shopping tomorrow. If you believe me, I haven't even had time to buy gifts for the baby.

Prawnster - December 22, 2024, 2:02 pm

I had mine done by end of November haha, shoutout to the Mrs for ordering most of it and wrapping it ??

Charlie Sheen - December 22, 2024, 9:11 pm

Not yet. Just a few more things.

Clearly, as we grow up, the magic of Christmas gradually fades away. However, it's still important to spend this festive season with loved ones and enjoy it, even just a little.

Yeah, while I may not be around family in person for Christmas.. I do make sure to give them a call, and let the, know they're still in my thoughts and are loved. My grandfather is 91 years old and can't see the buttons on the phone to dial out, so when he gets a call.. he really appreciates it, as he's isn't able to do it himself.

Cooligan - December 31, 2024, 7:28 am

Ironically enough, no I'm not!

My family likes to do a present swap/secret santa type deal for NYE/NY's. It's a fun tradition, but I still have to go pick up a few more things tonight before everyone gets together. Just a few small things left, these presents aren't meant to be anything serious or crazy, more so just fun gag gifts.
