Thread: [Do you do secret santa at your work?](#)

They always use to do it in the office I was in until a few months ago.

Seemed fun and brought people together, got the employees all learning different things about eachother to find them a good gift etc.

Not at work but we do a secret santa with part of the family every year. It's always a good time guessing who gifted what to who.

What's the best thing you've got from secret santa do ya think?

sharn - December 21, 2024, 9:58 am

Yes, we do it in the office.

But we keep the budget small to make it simple and fun.

Bashe - December 21, 2024, 9:58 am

Yeah, but all the employees don't really know each other too well, so we're all just getting random gifts for each other.

eXceptional - December 21, 2024, 12:19 pm

We do it every year but I hate it when people just come up with chocolates.

SIM-5600039 - December 21, 2024, 12:29 pm

Charlie Sheen - December 22, 2024, 9:26 pm

No. There was one time they did it at work and I told them I didn't celebrate Christmas and they automatically assumed I was Jewish. I played it off well.

We usually do White Elephant. Not the most fun because I always end up with a lousy gift but it's still better than working lol

jasonxx - December 23, 2024, 10:03 am
