Thread: [Do you play or used to play WoW?](#)

**BlackRock** - December 21, 2024, 8:54 am

I remember buying WoW when it first came out.

**Omniscient** - December 21, 2024, 8:56 am

My wife and one of my sons played this a lot. Wife put years into it. Would sit for hours on this game. She loved it. Then she went back to college to get a new degree and had no more time. She talks about playing sometimes but never does.

I loved it. Still do occasionally play it.
