I don't know much about these channels but are there any verifications needed before you get paid besides maybe a bank trial deposit? I have a few niches in mind but I don't want my personal info on there.

I only have music channels. Once you have a verified adsense account for YouTube it should be good.

moneymultiplierez - December 23, 2024, 8:35 pm

Interested, could you send me a PM?

Yes, I'm still selling.

octobersveryown - March 14, 2025, 3:14 pm

what type of music are these? copyright possibility?
