Thread: [Antigua chilling - do you smoke?](#)

Hackers - December 26, 2024, 12:28 pm

Just had a date lunch - we dressed up, used the golf cart porter, and ate well. Built up quite the buzz on champagne and beer. Time for a smoke with Tayla (fiancé)

Do you smoke weed? Why or why not?

Never had the luxury of sparking up on or near the beach. That would be a new one for me if I ever got the chance.
