Thread: [My Christmas Award Progress](#)

Mooooookie - December 29, 2024, 3:52 am

My current Christmas Award progress:

Looks like I have about 20% left on the award, with around 3 days left to complete. Holidays have kept me busy with family and friends, so haven't had much time to dedicate towards the goal. But I know if worse comes to worse, and I have to complete it all the last day.. then maybe I might do that, all depends on what the rest of the holiday presents to me.

Whats your current progress? Still going? Almost there? Completed? What's it looking like!?!?!?

DramaKing - December 29, 2024, 5:00 am

I'm sitting at 81 percent.

Miles Teller - December 29, 2024, 5:02 am

I am at 81% and getting close! I wish it would tell you how many posts/threads you have remaning, but I guess we keep chugging along. Good luck to you!

I would love to get an award, but I will not be able to. Despite being late to the party, I'll still try to take up the challenge.

I just checked my progress, and it says 100% ... so looks like the job is finally complete. 3 hours of replying to topics, and coming up with threads. Lol. Although I was watching youtube at the same time.
