Thread: [SELLING STAKE PLATINUM 3 ACCOUNT \[\\$1000 + IN PENDING REWARDS\]](#)

UltraexTrader - December 30, 2024, 12:45 pm

I'm in need of Crypto urgently and I'm looking to sell my Stake Platinum 3 Account. The account is 28.75% towards Platinum 4.

The account will get \$600 + from the Stake December Leaderboard which ends in 1 Day and 17 hours.

\$300 + from my affiliate wager.

Has 95k\$ wagered since Saturday, you can claim all the highroller bonus drops till next Saturday.

Will receive really decent weekly monthly post and pre monthly.

Has also reloads of 13.5\$ per day until 12th January

Selling the account with full access.

Looking to get a nice offer for it (the account has \$1000 + in pending bonuses this week)

Anyone who is thinking about contacting OP on their discord/telegram, please check their recent history & behavior. They have active dispute & they are delaying refund to the buyer to possibly gather more cash meanwhile. I suggest you do proceed with caution.
