Thread: [Suggestion for new years award](#)

Pimping - December 31, 2024, 9:26 pm

Would be cool to have a buyable New Years award

my idea would be a champagne bottle with a popped cork maybe with "2025" written on the bottle

I would buy it if it was cheap what about you guys?

Firework explosion would also be cool.

Or

2025 in crazy letters like they do with the glasses.

Or an aspirin packet as its the 1st for 8hrs for me currently

What do you price as a cheap award?

I don't think so. I did just add Coding Lang awards though.
