Thread: [QL award 20/30K byte giveaway + BONUS multiple winners](#)

codeine. - January 6, 2025, 9:08 pm

Was told to post this here aswellll apart from the giveaways section. Hey guys, trying to get the award, did a giveaway last time but sadly im only at 41% and failed lol. at 43% now

To enter just reply & love the post, and tag a friend if you want them to enter as well and +rep to increase your extra chances to get some extra bytes other than the giveaway prize :) <3 might choose multiple winners depending on how quick i achieve this. If Within a week i get the award i will do 2 winners for 15k bytes each + bonus bytes for a random person chosen from wheelofnames.com

you can enter anytime per day aswell, the daily cap for entries is unlimited as long as a different person is tagged to make this a little interesting haha

Wishing ya'll good luck on the award progress love ya'll

{IF I GET TO THE AWARD AFTER 1/12/25, THE BYTES WILL BE 20K TOTAL INSTEAD OF 30, HOWEVER I WILL STILL CHOOSE MULTIPLE WINNERS FOR SMALLER AMOUNTS OF BYTES <3} THE END FOR THE CONTEST IS 2/16/25 OR WHENEVER THE AWARD IS ACHIEVED. GOOD LUCK EVERYONE LOVE YA'LL BTW IF YOU HAVE REPPED ME BEFORE YOU CAN STILL ENTER NO PROB <3
