Thread: [XMR - No KYC exchange](#)

_SyncX404 - January 8, 2025, 7:18 pm

I'm wondering if anyone knows any exchanges for XMR with no KYC.
If I could swap em for some other crypto it would be also nice.

I used changenow and changelly in the past, and honestly never had a problem with them. There's also TradeOgre but that website charges a bigger fee % for trading.

(Jan 9, 2025 03:16 AM)Lowkey Wrote: [\[CITE\]](#) I am sure there are smaller exchanges setup that work but wouldn't trust any low liquidity exchanges.

Me neither, I heard about bisq before but never tried it out.

try tradeogre they have high trading volume and relative prices for major cryptos.
