bigbawlsak - January 13, 2025, 10:37 am

Hi everyone, I'm currently experiencing homelessness and struggling to meet my basic needs. Any small amount through Cash App would be greatly appreciated and help me get food and a safe place to sleep tonight. My Cash App is \$christophergroof. Thank you for any support you can offer."

Remember, reaching out for help is a sign of strength. Combine your online efforts with connecting to local resources for the most effective support.

Thank you for supporting the cause really I been sober for 2 months and I got a job... This is a joke but not a joke... Don't be a pussy ... You a big fat pussy if you don't.... If you read this you are forever in my debt. You owe me... It's hard out here for a pimp

Reach out to distant relatives.

Maybe an agency will pay direct for you stay somewhere.

Try and apply places.

Maybe custodial work for cash jobs but keep any hustle you start up!

Lol no.

But you cant really join a forum and ask people to give you money.

I mean I wish you good luck and if you were a friend or at least someone I knew I would consider but I'm sure what your doing is against rules or we we would have a forum full of gypsies.

Its your 5th post mate come on.

Get on youtube, learn something to sell.
