Thread: [Looking for a model for OnlyFans Management.](#)

JNath - January 15, 2025, 11:25 pm

Hello everyone, i have been recently trying to work with an onlyfans model. I am experienced in selling content and i have been active in the adult niche for a while now. I have also interacted with many people doing OFM and i have ways to get traffic and handle the chatting part. If any model or anyone with a model is interested to work with me, send a DM or reply here.

My brother has 1.5m followers on tik tok, verfied on snapchat, facebook, & insta. He brings in

\$60k/month just on OF. Do you know any ways to boost this even more? He has a management at the moment that takes 20% but always looking for better options or niches to get into

I have a model who is ready to get active... I dont really know where to start we can discuss some numbers to see if it makes sense for all parties but if not I would like to pay for some knowledge if its reasonable and if you have some proof you know what your doing.
